Dear Willie:

I am writing to ask you to get in touch with Percy Simon for me. I wrote him several days ago, and have not heard from him as yet, although he has had plenty time to answer. I tried to get him on the phone tonight and he was not there.

I asked him to see about getting three ball parks for me. May 1st New Burn N.C.
May 2nd Greenville N.C. or May 8th Greenville
May 7th Tarboro N.C.

I was expecting him to take care of the publicity for the games if he wanted to, or else have him contact some one to do it.

If we can not get these spots I will have to try for some place else, so I have to know as soon as possible.

If you cannot contact him directly, send me his address if you have it.

Thanks a lot,

Sincerely
